

SERMON DISCUSSION POINTS | SUMMER 2017

Below are some suggested questions for your use as you dig deeper into this week's teaching. Before you get started, begin with prayer. Ask God to reveal to you/your group what He wants you to know and do. Ask Him to open your eyes to see the beauty and wonders of Christ and the glories of the gospel.

1. Read again the Bible passage at the heart of this week's sermon. What do you see? What stands out to you as important, special or significant, if anything?
2. What does this passage and sermon say about God and people?
3. How can you apply these spiritual truths to your past, present and future? What do you do with these truths?
4. What do you think God is saying to you personally through this passage and sermon?
